

## Find Your Passions Part #1

1. Start by reading all of the questions below. Choose **any 6** and answer them. You can answer more but 6 is the minimum.
2. Next, pick **any six** of these topics (they do not need to be the same six that you choose but they can be). You will add input (about you) from two others who know you well (close friends, family members, etc.) Record what others say about you in video, audio, or writing. Include any direct quotes.

| Topic Choices                                                                                      | Your Answer                                                                                                                                      | Other's input #1 from someone who knows you well (friends, family, etc.)<br>Name: Mom<br>Relationship: Mom | Other's input #2 from someone who knows you well (friends, family, etc.)<br>Name: Tanya Meghani<br>Relationship: Friend |
|----------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Think of a dog chasing a tennis ball. What is your tennis ball (the thing you are always chasing)? | My tennis ball is probably a lacrosse ball because when you miss the bounceback or the goal you have to chase it down.                           | A book, money, swimming, lacrosse, food, chocolate, sweets                                                 | My brothers, Tanya                                                                                                      |
| What are you doing when you feel most beautiful, powerful or confident?                            | When I feel most beautiful i'm probably playing a sport (lacrosse, field hockey or swimming) hiking or goofing off with my brothers and friends. | Beating up my brother, beating my brothers in lacrosse                                                     | Playing a sport or annoying a friend                                                                                    |
| What is something you believe that almost nobody agrees with you on?                               | Reading                                                                                                                                          | Reading                                                                                                    | Reading, most people don't agree with books I read or me reading books                                                  |
