Investigate!

To start your project it is necessary to begin by doing some investigation. You will need to identify resources that will help you in your project. The internet will be your most useful tool to find websites and videos that will be useful throughout the project.

Source (website, link, book, person, etc): https://www.youtube.com/watch?v=y7XeWIQewuo
Summary of Resource: This is a youtube video tutorial on how to set up a skateboard. I will use it to set up my skateboard since I do not know how to.

Source (website, link, book, person, etc): https://www.youtube.com/watch?v=p3NXd3DhH08
Summary of Resource: This is a tutorial video on how to do the very basics of skateboarding. It will be great to get me started.

Source (website, link, book, person, etc): Short tutorials on social media
Summary of Resource: Using short video tutorials on social medias such as TikTok or Instagram, I will be able to learn easy tricks or tips on skating better.

Source:(website, link, book, person, etc): https://weather.com/
